Wisdom Words

Quote: Buddha

"One who masters himself is greater than another who conquers a thousand times a thousand on the battlefield."

Prayer

Great Spirit... Help me to see my greatness, my beauty, my gifts...

Help me see myself as an extension of thee...

Help me walk the sacred way no matter what the result and with my open-heart better the world and prosper...

Thank you for the gift of serving thee.

Aho.

Self Inquiry:

- What is wanting to happen in my life?
- What new level is calling me?
- What is my Higher Self nudging me to do?

Featured Community Building Exercise / Practice

Use the 4 Agreements as a foundation for cooperation between you and your partners and alliances. The 4 Agreements is a wonderful book by fellow spirit teacher, Don Miguel Ruiz.

(1) I WILL BE IMPECCABLE WITH MY WORD. I will speak with integrity. Say only what I mean. I will avoid using the word to speak against myself or to gossip about others. I will use the power of my word in the direction of truth and love.

(2) I WILL NOT TAKE ANYTHING PERSONALLY. Nothing others do is because of me. What others say and do is a projection of their own reality, their own dream. When I am immune to the opinions and action of others, I won't be the victim of needless suffering.

(3) I WILL NOT MAKE ASSUMPTIONS. I will find the courage to ask questions and to express what I really want. I will communicate with others as clearly as I can to avoid misunderstandings, sadness and drama. With just this one agreement, I can completely transform my life.

(4) I WILL ALWAYS DO MY BEST. My best is going to change from moment to moment, it will be different when I am healthy as opposed to sick. Under any circumstance, I will simply do my best, and I will avoid self-judgment, self-abuse and regret.

Business Tip

The Corporate Shaman's keys to success:

- Take care of you, live in high energy, sacredness and love and let the law of attraction bring good to you. The answer is always more love.
- With Love, Spirit Market your business to help it grow:
- Pray each day and let spirit tell you whom to contact....
 - Seek ways to serve. Create alliances.
 - Create a short weekly E-Newsletter that only offers a gift of inspiration.
 - Every fourth E-newsletter add 3 sentences along with your web site link on your key products and services.
 - Build Community by offering some weekly free or by donation event like a Mastermind or sharing group in your home to bring joy and togetherness to those you care to serve.
- Get 'Out'... Get a booth at an expo, speak to groups, and attend networking events.
